RE: Case No. 2005-00320
Bluegrass Wireless

Dear Mr. and Mrs. Shadoan:

The Commission is in receipt of your August 22, 2005 letter regarding Bluegrass Wireless's application for approval to construct a telecommunications facility in London, Kentucky. Your letter states that you wish to intervene in this proceeding and to make comments regarding the construction and operation of the proposed facility. However, your letter does not state your objections to the proposed facility or your special interests. Commission regulations require that persons requesting intervention specify their special interest in the proceeding and that the Commission may grant such intervention only after finding that the party requesting intervention has a special interest in the proceeding which is not otherwise adequately represented and that granting the party intervention will not unduly complicate or disrupt the proceeding.

If you wish to request intervention, please submit, within 15 days of the date of this letter, your special interest in this proceeding. Once your interests have been identified, your concerns will be forwarded to Bluegrass Wireless for a response. If you have questions regarding this proceeding, please contact Dale Wright, our staff attorney assigned to this case, at (502) 564-3940.

Thank you for your interest and concern in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a large, stylized circular flourish.
